

# LESSON NOTES PRIMARY TWO – LIT I TERM I, II & III

THEME 5: OUR SCHOOL AND NEIGBOURHOOD

SUB-THEME: LOCOATION, SYMBOLS AND BENEFITS OF OUR SCHOOL.

#### A. LOCATION OF THE SCHOOL

#### Our School

| 1. | Our school is                                 |           |
|----|---|-----------|
| 2. | A school is a place where people go to learn. |           |
| 3. | Our school is found along                     | road      |
| 4. | Our school is built on                        | hill.     |
| 5. | Our school is found insub county.             | division  |
|    | Our school is found inzone.                   |           |
| 7. | Our school is found in                        | district. |

#### Learner's activity

The pupils will visit the location of their school.

#### B. Symbols of a school.

School symbols are things which make our school different from other schools

- a) School name
- b) School uniform
- c) School badge
- d) School motto
- e) School flag
- f) School anthem
- g) School signpost

| r  | n) School mission                   |             |  |
|----|-------------------------------------|-------------|--|
| i) | ) School prayer.                    |             |  |
|    | Learners' activity                  |             |  |
|    | Write down five symbols of our scho | ool         |  |
| 1. |                                     | 4.          |  |
| 2. |                                     | 5.          |  |
| 3. | Draw these school symbols           |             |  |
|    | ·                                   |             |  |
|    |                                     |             |  |
|    |                                     |             |  |
|    | School uniform                      | School flag |  |

# IMPORTANCE OF THE SCHOOL SYMBOLS В 1. School name It shows the name of our school. 2. **School uniform** It makes us different from other pupils It also makes us (the pupils) look smart. 3. The School flag It gives us a feeling of unity. 4. School prayer It is a special prayer for the school It teachers us to be God fearing 5. **School motto** It encourages pupils to work hard. 6. School sign post. It shows where the location of our school Learners' activity: 1. What is the use of a school sign post? 2. \_\_\_\_\_makes the pupils look smart. 3. teaches us to be God fearing. 4. What is the special song of your school called? What is the use of your school motto? 5. 6. Write down your school motto. D. **Drawing school symbols** School uniform (c) School flag a) b) School badge (d) School sign post (e) Things found on;

School badge School motto

a) School badge

1. \_\_\_\_\_

2.
 3.

#### b) School sign post

- 1. School badge
- 2. School motto
- 3. School name
- 4. School box number

#### 4. SCHOOL STRUCTURES

- 1. School structures are the buildings found in the school
- 2. Examples of school structures;
- **1.** Pupils sit and learn from the classroom.
- 2. Pupils use toilets to ease themselves
- **3.** Food at school is prepared from the kitchen
- **4.** The headmaster and the secretaries do their work from the offices
- **5.** We buy things from the school canteen
- **6.** Sick pupils rest in the sickbay.
- 7. Teachers meet and rest from the staffroom
- **8.** Library is where the books for the school are kept
- **9.** Store: The school property are kept in ht store

| Act |  |
|-----|--|
|     |  |
|     |  |
|     |  |

| Match | the | follo | wina: |
|-------|-----|-------|-------|
|       |     |       |       |
|       |     |       |       |

Library where we go to ease ourselves
Kitchen where pupils go for treatment
Toilet/latrines where food is prepared

Sickbay where school books are kept

Classroom where pupils learn from

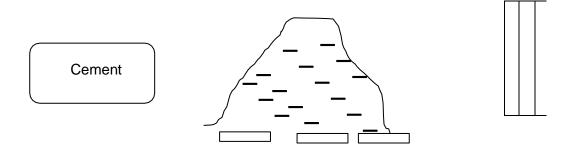

Store where school property is kept

| How important are the following school structures/ |               |
|--|---------------|
| Dining hall  | (b) staffroom |

# Things we use to build our school (Building materials)

Iron sheets, cement iron bars sand nails timber roofing tiles stones bricks blocks

Activity: Pupils will name strong building materials drawn.

Draw these building materials.

| Nails | Iron sheets | stones |
|-------|-------------|--------|
|       |             |        |
|       |             |        |
|       |             |        |
|       |             |        |

# Where/ sources of strong building materials are got.

| Material        | Source            |
|-----------------|-------------------|
| Cement          | Factory           |
| Nails           | Factory           |
| Paint           | Factory           |
| Timber / poles  | Forest / bush     |
| Sand            | Lake side / swamp |
| Bricks / clocks | Swamp             |
| Stones          | Quarry            |
| Tiles           | Factory           |
| Iron sheets     | Factory           |
| Iron bars       | factory           |

# **Activity:**

Draw places where we get strong building materials (swamp, factory, lake, forest)

# Weak building materials

Gras

Mud

**Sticks** 

Banana fibres

Ropes

Cow dung

Papyrus

# Sources of weak building materials

Mud - soil & water

Banana fibres - banana plants

Grass - bush
Reeds - bush
Sticks - bush
Wow dung - farm

| Papyrus | -   | swamp |  |  |  |  |
|---------|---|-------|--|--|--|--|
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         |   |       |  |  |  |  |
|         | For more lesson notes, please visit <u>www.freshteacheruganda.com</u> |       |  |  |  |  |

# **Activity**

Pupils will draw the weak building materials

#### PEOPLE IN OUR SCHOOL

1. There are many people found in our school.

These are

- a) Headteacher
- b) Teachers
- c) Bursar
- d) Secretary
- e) Cooks
- f) Cleaners
- g) Security guards
- h) Gate keeper
- i) Matrons
- j) School nurse
- k) School driver
- I) Water man
- m) librarian

#### **Activity**

- 1. Name your school headteacher
- 2. Who is your class teacher?
- 3. Name your school bursar
- 4. Draw your friends at school.

#### Uses of people in our school

**1.** Headmaster - he heads the school

**2.** Deputy headteacher - he assists the headteacher

**3.** Teachers - they teach the children

**4.** Secretary - types our home work and exams

**5.** Bursar - keeps the school money

**6.** Cooks - cook the food

**7.** Cleaners - cleans the school

8. Nurse - helps the sick children at school

**9.** Security - guard keeps the school safe

| <b>10.</b> Matrons - | look after children in the boarding section |
|----------------------|---|
|                      |   |
|                      |   |
|                      |   |
|                      |   |
|                      |   |
|                      |   |
|                      |   |
|                      |   |
|                      |   |
|                      |   |
|                      |   |
|                      |   |
|                      |   |
|                      |   |
|                      |   |
|                      |   |
|                      |   |
|                      |   |
|                      |   |
|                      |   |
|                      |   |
|                      |   |
|                      |   |

#### Learners' activity

# Match the following

Headteacher - teachers the children

Bursar - types exams

Secretary - heads the school

Cook - keeps the school money

Teachers - cooks food

Why does a school need the following people?

Nurse, guards, cleaners

#### Things we use at school.

Things we use at school are called facilities

# Examples of things we use at school

| Chairs | tables | chalk  | pencil | pen   |
|--------|--------|--------|--------|-------|
| papers | water  | brooms | duster | ruler |

# **Learners' activity**

Draw things we use at school

| Chalk | Broom | Chair | Pencil |
|-------|-------|-------|--------|
| Ruler | Table | Water | pen    |

#### Pupils' roles / duties / work

- 1. Sweeping the classroom.
- 2. Mopping the classroom
- 3. Dusting tables and chairs
- 4. Watering the flowers
- 5. Arranging books
- 6. Collecting books
- 7. Pupils with special duties at school are called prefects
- 8. A class monitor is the head of other pupils in the class.
- 9. The monitor makes sure that order is kept in class.

# **Learners' activity**

1. Sate any two responsibilities of children at school.

| 2. | Who is your cla | ass monitor? |  |  |
|----|-----------------|--------------|--|--|
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |
|    |                 |              |  |  |

#### **Prefects**

- 1. There are pupils who have special roles at school.
- 2. Prefects work together with teachers.
- 3. Prefects help pupils to be disciplined at school.
- 4. There are two very important prefects in our school.
- 5. They are

Head boy and head girls

- 6. They head all other prefects
- 7. They are other prefects at schools like;
  - a. Games prefects
  - b. Meals prefect
  - c. Health prefect

#### Learners' activity

| 1. | Pupils who have special roles at school are called |
|----|--|
| 2. | Name the head girl of your school.                 |
| 3. | What is the name of your head boy?                 |
| 4. | Name other two prefects in your school.            |
|    | a  |
|    | b  |

#### **CLASS RULES:** these are rules governing a class

- 1. Do not play in classroom
- 2. Pay attention to your teachers
- 3. Put up your hand before you answer
- 4. Do not step on tables and chairs
- Do not eat from class.
- 6. Do not go out of class without permission.

#### **SCHOOL RULES**: These are rules governing a school.

- 1. There are many school rules we must obey
- 2. School rules help us to be good pupils
- 3. They guide us to do good things. These are:
- 4. Pupils should not come to school late
- 5. Do not fight one another.
- 6. You should love your schoolmates
- 7. Do not do any harm to them
- 8. Never leave your school without permission.
- 9. Do not climb trees.

| 10. Never laugh | at other people. |     |        |  |
|-----------------|------------------|-----|--------|--|
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 |                  |     |        |  |
|                 | п 1              | . 1 | C 1. 1 |  |

| Learners' activity:              |                     |                     |         |                |
|----------------------------------|---------------------|---------------------|---------|----------------|
| 1. Give any two                  | class rules         |                     |         |                |
| a                                |                     |                     |         |                |
| b                                |                     |                     |         |                |
| 2. Identify one u                | ise of school rules | S.                  |         |                |

#### WAYS IN WHICH THE SCHOOL NEEDS ARE MET.

- A There are very many ways in which a school meets its needs. These are:
- 1. Parents pay school fees.
- 2. Some parents also give gifts to the school e.g. books and pencils
- 3. Many school use government money to met their needs
- 4. Some schools have sponsors
- 5. Some schools have projects e.g. poultry keeping
- 6. Some schools have farms and gardens where they get food from

Mention any five ways in which a school meets its needs.

7. Some good people give money to the school.

#### SUB THEME: PARTS OF THE BODY AND THEIR USES

#### **PARTS**

| head   | mouth   | knees | eyes      | nose    | legs | hands |
|--------|---------|-------|-----------|---------|------|-------|
| tongue | stomach | teeth | shoulders | fingers | head | feet  |
| arms   | breasts | neck  | thighs    | toes    |      |       |

#### **Activity**

- a) Pupils will name the parts orally
- b) Draw and name the parts

(Picture showing parts of the body)

Stomach, mouth, breast, fingers, thigh, eye, head, neck, toes, leg, foot, ankle

# The way different parts of the body work together to carryout different activities (functions of the body parts.)

Eye - see skin - feel
Tongue - taste/ talk teeth - chew

Legs - walk hands - hold/ touch, writing

Nose - smell/breathe fingers - touch

Belly - for covering the stomachNails - scratching ourselves

All these body parts work together to carryout different activities e.g. playing, eyes see what to play with, hands touch the play things, ears hear from other people you play with, legs walk as you play.

- Cutting hair short.

### Things we use to clean the body

- tooth brush
- sponge
- water
- comb
- razor blade
- tooth paste
- towel
- pair of scissors
- safety pin
- toilet paper
- handkerchief
- basin
- nail cutter

### **Activity**

Pupils draw and name the things we use to clean our body.

| Toothpaste | Comb | Towel | Bathing soap |
|------------|------|-------|--------------|

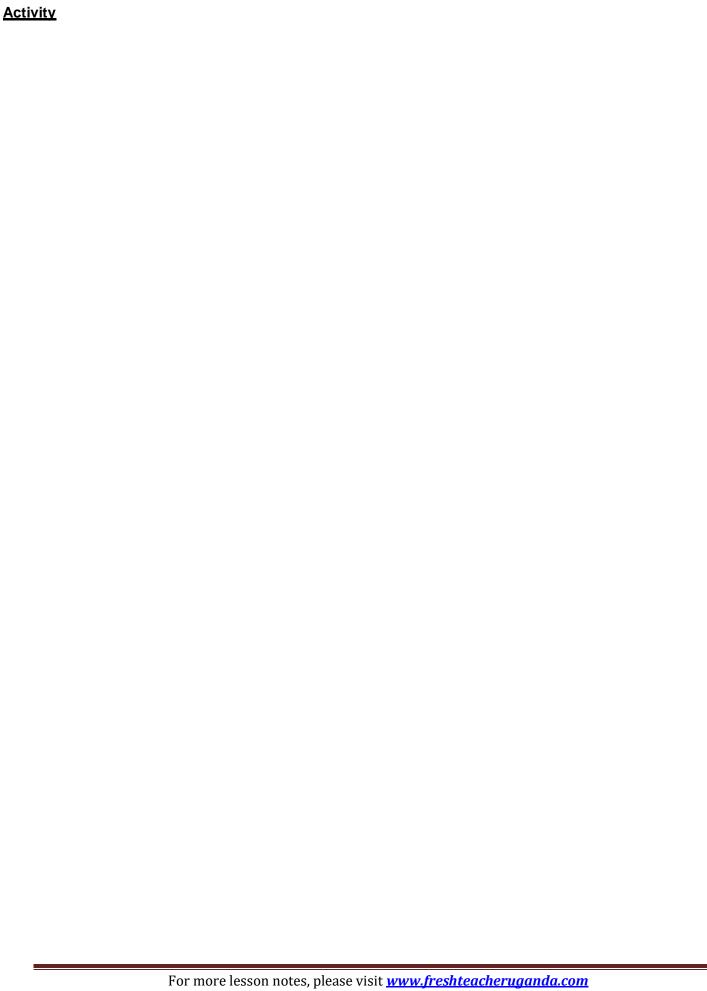

Naming four skills for keeping clean

### Things that we use to clean the body must be kept clean.

- a) Clean the toothbrush after brushing
- b) Wash your hands when they are dirty
- c) Wash and dry your towel always
- d) Wash your pants, dry and can iron them
- e) We iron our clothes.

### Importance of keeping them clean

- a) Things used on our body should be kept clean to prevent bad smell
- b) Things used on our bodies should be kept clean to prevent skin diseases.
- c) Things used on our bodies should be kept clean to prevent dirt.
- d) Thins used on our bodies should be kept clean to look smart.
- e) We clean the things to prevent diseases.

| 1.            | Give two reasons why things used on our body should be kept clean                  |  |  |  |  |  |  |
|---------------|--|--|--|--|--|--|--|
| a)_           | (b)  |  |  |  |  |  |  |
| 2.            | 2. Draw and name any two things used to clean our body.                            |  |  |  |  |  |  |
| Why o         | lo we brush our teeth?   |  |  |  |  |  |  |
| -             | We brush our teeth to prevent tooth decay  |  |  |  |  |  |  |
| -             | We brush our teeth to prevent bad breath   |  |  |  |  |  |  |
| -             | We brush teeth to prevent cavities.  |  |  |  |  |  |  |
| Why o         | lo we iron our clothes?  |  |  |  |  |  |  |
| -             | We iron clothes to kill germs that can not die with water.                         |  |  |  |  |  |  |
| -             | We iron our clothes to be smart.   |  |  |  |  |  |  |
| Why o         | lo we bathe?   |  |  |  |  |  |  |
| -             | We bathe to avoid bad smell (body odour)   |  |  |  |  |  |  |
| -             | We bathe to prevent germs  |  |  |  |  |  |  |
| -             | We bathe to remove dirt from the body.   |  |  |  |  |  |  |
| <u>Activi</u> | <u>ty</u>  |  |  |  |  |  |  |
| Give r        | eason why we do the following activities.  |  |  |  |  |  |  |
| a)            | bathing  |  |  |  |  |  |  |
| b)            | brushing teeth   |  |  |  |  |  |  |
| c)            | ironing clothes  |  |  |  |  |  |  |
| Why o         | lo we wash our hands?  |  |  |  |  |  |  |
| We wa         | ash our hands to remove germs that enter our body through mouth.                   |  |  |  |  |  |  |
| Why s         | should drinking water be boiled first?   |  |  |  |  |  |  |
| -             | We boil water for drinking to kill germs.  |  |  |  |  |  |  |
| -             | Why should we cut our finger nails short?  |  |  |  |  |  |  |
| -             | We cut finger nails short to prevent eating germs.                                 |  |  |  |  |  |  |
| -             | We cut finger nails short to keep away germs that hide there.                      |  |  |  |  |  |  |
| <u>Activi</u> | <u>ty</u>  |  |  |  |  |  |  |
| Pupils        | will do practical work e.g. cutting finger nails short, washing their hands clean. |  |  |  |  |  |  |
| Comn          | non diseases   |  |  |  |  |  |  |
| Preve         | nting and controlling common diseases  |  |  |  |  |  |  |

|             |  |  |  |

- Cholera
- Dysentery

### Ways of preventing and controlling the diseases

- Avoiding smoking
- Avoiding spitting
- Guarding against harmful insects
- Cutting bushes down
- Sleeping under mosquito nets
- Boiling water for drinking
- Spraying
- Covering food removing the stagnant water

### **Activity**

| 1. | Name three common diseases you know               |
|----|---|
| a) | (b) (c)   |
|    |   |
| 2. | Why do we sleep under mosquito nets?              |
| 3. | Why do we boil water for drinking                 |
| 4. | We boil water for drinking to kill                |
| 5. | Write any two ways of preventing common diseases. |
| 2) | (b)   |

THEME: 4 FOOD AND NUTRITION

**SUB THEME: CLASSIFICATION OF FOODS** 

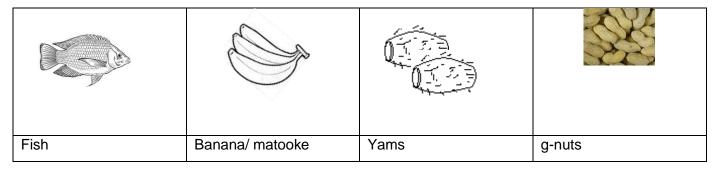

Common food in our community

What is food?

Food is something good we eat or drink Examples of common food

Rice, matooke peas beans cassava millet meat fish groundnuts yams Maize eggs potatoes cabbage chicken milk splash

### **Examples of foods**

# 1. What is food? 2. Name any fur common foods in our community. 3. Why do we eat food? Sources of food Plant water bodies' garden shops market forests Birds animals insects bakery **Examples of food** The source Garden cassava, potatoes, beans, g-nuts Butcher meat, chicken, mutton Market beans flour wheat rice. Dairy/animal milk Forest / plants fruits Water bodies fish **Activity:** 1. Write down any four sources of food. 2. What is the main source of food? 3. Name the food we get from water Classes of food There are three classes of food. a) Body building foods (proteins)

- b) Energy giving foods (carbohydrates)
- c) Health giving foods (Vitamins/ protective food)

### **Body building foods (proteins)**

**Activity** 

These are foods which help us to grow well

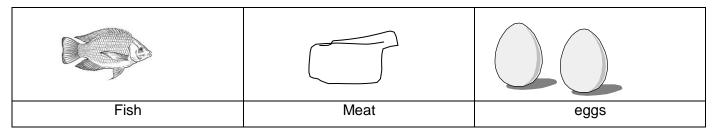

### **Examples:**

Fish, bens, milk, eggs, groundnuts, chicken, meat, peas, cheese

| Chicken | Meat | Milk |
|---------|------|------|

Note: Lack of enough proteins in the body causes a diseases called Kwashiorkor

### Examples

### **Energy giving foods (Carbohydrates)**

This is the food which helps us to be strong

### **Examples:**

Posho banana cassava eggs millet potatoes maze yams

milk sugarcane bread glucose honey

Also fats give us energy e.g.

butter ground nuts oil milk fats meat fats ghee

Note: Lack of carbohydrates in the body causes a disese called marasmus.

### **Activity**

- Give the other name for energy giving foods.
- 2. If one lacks carbohydrates, he will suffer from \_\_\_\_\_
- 3. Draw these energy giving foods.

| Bread | Cassava | Banana | Sugarcane |
|-------|---------|--------|-----------|

# **Health giving foods (vitamins)**

These foods are grouped into two groups

a) Fruits (b) ve

(b) vegetables

These foods fight against diseases.

### **Examples**

vegetables **Fruits** Mangoes cabbages **Pawpaws** nakati **Pineapples** carrots **Apples** carrots jobyo **Jackfruits** Oranges ensugga Grapes tomatoes Water melon lemons

Lack of vitamins in the body causes a disease called scurvy.

|        |          |           | TO THE  |
|--------|----------|-----------|---------|
| Apples | Tomatoes | pineapple | carrots |

### **Activity:**

| 1. | List the groups of protective foods         |  |
|----|---|--|
| a) | (b)   |  |
| 2. | What is food?                               |  |
| 3. | Give three examples of health giving foods. |  |
| 4. | Name any three examples of food eaten raw   |  |
| a) | (b) (c)                                     |  |

# **Good feeding**

Balanced diet

What is a balanced diet? It is a meal with all food values.

Balanced meal help us to have good health.

Balanced meals help us to grow well.

### Examples of balanced diet / meal

- 1. Pineapple + meat + rice + nakati
- 2. Bread +beans + cabbages + posho

### **Activity**

1. Pupils will arrange a balanced diet practically

### Effects of poor feeding

Some people fed poorly by eating one type of food e.g. posho everyday or bananas everyday Poor methods of feeding may result into

- Mulnutrituion
- Death
- Blindness
- Poor body shapes

### Signs of malnutrition

- Loss of weight
- Swollen body
- Change of hair colour and texture
- Loss of appetite
- Dullness

### **Activity**

- 1. Write any three importance of balanced diet
- 2. List any two effects of poor feeding

| a) (t | b) |  |
|-------|----|--|
|-------|----|--|

### **FOOD HYGIENE**

- Food hygiene is the way of keeping food safe / clean.
- Dirty food is harmful to our health.
- How food gets dirty?
- Food can get dirty when left uncovered
- When dropped on dirty ground.
- When it is kept in dirty places
- When it is kept in dirty containers

| - | When handled with dirty hands. |
|---|--------------------------------|
| - |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |
|   |                                |

# Keeping food safe and clean 1. Covering it well 2. Using clean utensils 3. Touching food with clean hands 4. Preparing food with clean hands 5. Preparing food in clean places 6. Serving food with clean hands, utensils ad in clean places 7. Washing fruits. Ways of preparation

- a) Heating it
- b) Cooking it
- c) Washing it
- d) Frying
- e) Baking
- f) Boiling
- g) Roasting
- h) Heat kills germs in the food.

### <u>Activity</u>

| 1. How does food get dirty? Give any three ways |
|---|
| a)  |
| b)  |
| c)  |
| 2. Name any two ways of preparing food to eat   |
| a)  |
| b)  |
| 3. Give one danger of eating dirty food.        |
| 4. What is food hygiene?                        |

# Ways of preserving food

- Salting
- Smoking
- Sun drying
- Warming
- Freezing
- Boiling
- Roasting

| Activi   | ty   |
|----------|--|
| 1.       | Why do we boil water fro drinking?               |
| 2.       | Mention any three foods we eat uncooked.         |
|          | a) (b) (c)                                       |
| 3.       | Give two ways of preserving our food.            |
|          | a)   |
|          | b)   |
| 4.       | Why do we boil water for dirking?                |
| 5.       |  |
| 6.       | Mention any three foods we eat uncooked.         |
| Dange    | ers of eating dirty food.                        |
| It is ba | ad to eat dirty food because                     |
| a)       | We may eat germs                                 |
| b)       | Germs are small living things that cause disease |
| c)       | Dirty food can cause diarrhea                    |

d) What are germs?

# **LESSON NOTES TERM II PRIMARY**

# TWO - LIT II

### **OUR ENVIRONMENT** THEME 5:

### **COMMON ANIMALS.**

1. Domestic animals: What are domestic animals? Domestic animals are animals we keep in our homes.

# **Examples:** Rabbit

horse

donkey

cow

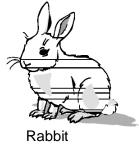

goat

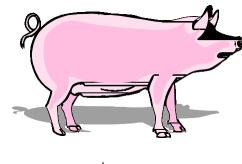

ОХ

dog

camel'

pig

# **Activity:**

|  | 1. | What are | domestic | anima | ls? |
|--|----|----------|----------|-------|-----|
|--|----|----------|----------|-------|-----|

| 2. | Give five examples of domestic anima | als. |   |
|----|--------------------------------------|------|---|
|    |                                      |      | , |

3. Draw these domestic animals.

| dog | cow | cat | rabbit |
|-----|-----|-----|--------|

### 2. Uses of domestic animals.

People keep animals for a purpose.

- (a) cow We get milk, beef, skin, horns
- (b) dog guards our homes.
- (c) sheep mutton, wool
- (d) goat meat, skin, milk
- (e) rabbit fur, meat
- (f) cat kills rats from the house
- (g) pig pork
- (h) horse transport
- (i) donkey- transport
- (j) Ox Work in the garden/transport (ploughing)
- (k) Camel transport

### **Products of milk**

- Cheese
- Yoghurt
- Ice cream
- Ghee
- Butter

### Activity: Match animals to their uses;

Cow transport

Dog mutton and wool

Sheep beef

Horse guards home

Why do people keep cats in their homes?

Name any two products we get from milk.

| a) |  |  |
|----|--|--|
| •  |  |  |

b) \_\_\_\_\_

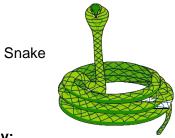

### 3. Wild animals:

What are wild animals? Wild animals are animals that live in the bush, forest or water. (wilderness).

### **Examples**

Zebra, rat, snake, fish, lion, rhino, crocodile, elephant, giraffe, monkey, fox, leopard, tiger

Most wild animals are dangerous to us.

### **Activity**:

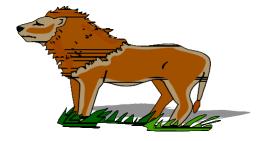

1. What are wild animals?

| 2. | Mention six examples of wild | animals. |          |
|----|------------------------------|----------|----------|
|    |                              |          | <b>7</b> |

### Uses of wild animals

- They give us food e.g. meat.......
- They give us skin e.g. snake, leopard
- They give us ivory (elephant)
- They attract the tourists and they give us money
- They give us horns.
- 3. Name the wild animals.

4. <u>Dangers of wild animals.</u>

Wild animals are dangerous to us and to domestic animals. They destroy our crops. Some of . They kill people. Some wild animals spread diseases.

Elephant - ivory
Rhino - horns
Kob - meat
Buffalo - meat

| Activ | <u>rity:</u>                  |                    |         |                |                 |                   |

### **Activity:**

- 1. Give the homes of these animals;
  - (a) pig \_\_\_\_\_
- (b) dog \_\_\_\_\_
- (c) lion \_\_\_\_\_
- (d) man \_\_\_\_\_
- (e) fish \_\_\_\_\_

### 8. Animal sounds

All animals make sounds;

They make sounds for different reasons;

- (a) When they are hungry or thirsty.
- (b) When they are angry/annoyed.
- (c) When they are sick/in pain.
- (d) When they are looking for their young ones.
- (e) When they are in danger.
- (f) When they want company.

| Animal    | sound       | It says  |
|-----------|-------------|----------|
| Cow       | Lows        | Moo – oo |
| Goat      | Bleats      | Mee-ee   |
| Dog       | Barks       | Bwo-bu   |
| Lion      | Roars       |          |

A weapon is something an animal uses to defend itself from danger or enemy.

**Animal** Weapon Snake fangs Crocodile tail

bad smell Bedbug Cat/dog/lion claws/teeth

Elephant trunk Cow horns Dog/rat/lion/pigs teeth

Chameleon change colour

Birds beaks Bee sting Snail/tortoise hard-shell

Man/monkey hands

### **Activity:**

- 1. What is a weapon?
- 2. Give the weapons of these animals;
- (a) elephant
- bee (b)
- (c) chameleon
- (d) snake

### 11. **Birds**

Birds can also be grouped into two groups

- (a) domestic birds
- (b) wild birds

### **Domestic birds**

These are birds that we keep in our homes. Examples;

Turkey, ducks, pigeon, hens, cocks,

goose

turkey

| 3.        | How many days does a hen        | take to hatch its eggs?       |                                  |
|           | <u></u>                         |                               |                                  |
| 4.        | Draw these animals              | T                             |                                  |
|           |                                 |                               |                                  |
|           |                                 |                               |                                  |
|           |                                 |                               |                                  |
|           |                                 |                               |                                  |
|           |                                 |                               |                                  |
|           |                                 |                               |                                  |

### 12. Insects

### **Common Insects**

# Names of common insects;

Housefly, cockroach, locust, mosquito, flea, tick, wasp, bedbug, grasshopper, ants, butterfly, spider, earthworm, bee

| • | Insects are living things. They reproduce by laying eggs. |
|---|---|
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |
|   |   |

### Characteristics of an insect.

- (i) An insect has six legs.
- (ii) An insect has three main body parts.
- (iii) An insect breathes through spiracles.

### Activity;

| (c)  | (d) |  |
|------|-----|--|
| o N. |     |  |

Name any two characteristics of insects.

1. Give any four examples of common insects.

| (a) |  |  |
|-----|--|--|
| (b) |  |  |

# 13. Useful/good insects.

These are insects that are good/useful to us.

### **Examples:**

Grasshoppers, bees, white ants, bees, moth, butterflies

### These insects help us in different ways:

- (a) We use some of them as food e.g. white ants, grasshoppers
- (b) Some make food for us. E.g. bees make honey.
- (c) Some insects help to pollinate flowers and we get fruits and seeds. E.g. butterflies, moth and bees.

### **Activity:**

- 1. Name three examples of useful insects.
- 2. Why are grasshoppers and white ants important to people?
- 3. What does bees give us?

| 14. | Harmful/bad insects. |
|-----|----------------------|
|     |                      |
|     |                      |
|     |                      |
|     |                      |
|     |                      |
|     |                      |
|     |                      |
|     |                      |
|     |                      |
|     |                      |
|     |                      |
|     |                      |
|     |                      |
|     |                      |
|     |                      |
|     |                      |
|     |                      |

Harmful insects are insects that are dangerous or cause injury to people or plants.

### Examples:

Houseflies, bedbugs, termites, mosquitoes, cockroaches, caterpillars, tsetse flies, locusts, banana weevils, cotton stainer, bean weevils,

A spider is not an insect because it has eight legs and two main body parts.

### How these insects are harmful:

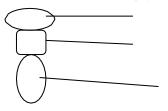

- Houseflies carry germs which cause diseases like cholera, dysentery, diarrhoea, typhoid, trachoma, conjunctivitis.
- Tsetse flies spread sleeping sickness to people and animals
- Mosquitoes spread malaria.
- Bean weavils eat bean seeds
- Cotton stainer stains cotton.
- Caterpillars eat leaves of plants
- Banana weavils eat banana stems
- Termites eat stems, roots of plants and spoil our homes

### Activity:

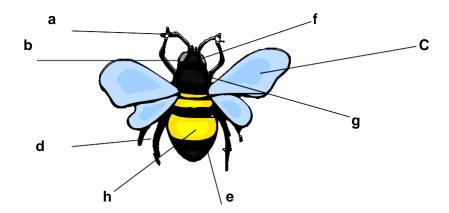

- 1. Name one disease spread by houseflies
- 2. Give three examples of harmful insects
- 3. What insects spread malaria?
- 4. What do we call insects that make holes in seeds?

### 15. Parts of an insect.

An insect has 3 main body parts. (Abdomen, thorax, head)

- a. feeler/antenna b. eye c. wing d. leg
- e. spiracles f. head g. thorax h. abdomen

### A. Activity:

- (i) Pupils will draw the above insect and name it.
- (ii) How many legs has a true insect?
- (iii) On which body part of an insect do we find the legs?
- (iv) Where does an insect breathe from?

### 16. Parts of an insect.

### The head:

- On the head there is a pair of eyes and a pair of feathers. feelers
- An insect uses the feelers to feel as it moves.
- The thorax has four wings which help the insect to fly and the legs
- These wings are found on the thorax. There are some insects that do not have wings.
- On the thorax again, legs are found.

### The abdomen.

- On the abdomen there are spiracles.
- Insects use spiracles to breathe.

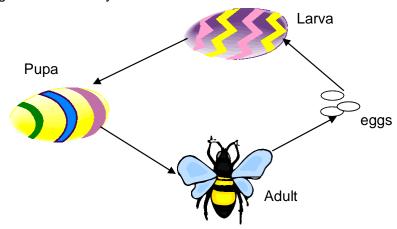

| 1. | Draw an insect and show on the following parts; |
|----|---|
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |

- (a) Feathers
- (b) Legs
- (c) Spiracles
- (d) Wings

# 15. Changes in insects.

Insects grow from eggs.

Stages of a house fly.

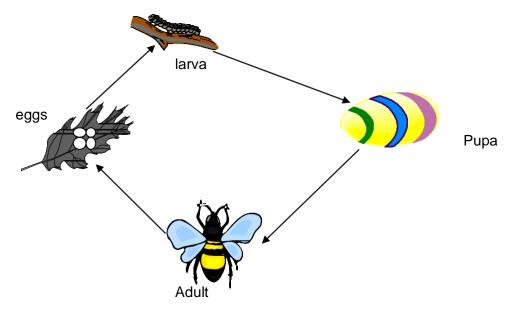

- A housefly grows through four stages.
- It is common in dirty homes.
- The larva stage of a housefly is called a Maggot.
- Houseflies are common in dirty places like rubbish pits, pit latrines or toilets. This is where they lay the eggs from and grow.

# **Activity:**

- 1. Pupils will draw the stages and name them.
- 2. What do we call the larva stage of a housefly?
- 3. Where are houseflies commonly found?

# 16. The life stages of a butterfly.

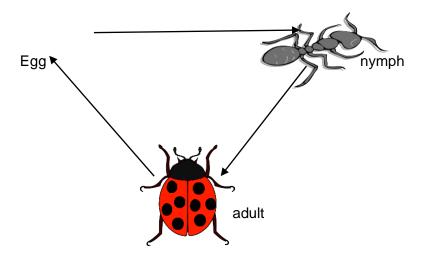

- The larva stage of a butterfly s called a <u>caterpillar</u>. This is the most active and dangerous stage to our plants.
- It feeds on leaves of plants.
- Butterflies lay eggs on leaves of plants.
- Butterflies suck nectar from flowers.
- The pupa of a butterfly does not feed or move. It stays in a cover called cacoon.

- (i) Draw and name the stages of a butterfly.
- (ii) What is the larva stage called?
- (iii) Which stage of a butterfly is dangerous to our plants?

# 17. Life stages of a cockroach (Talk about other insects with 3 stages of growth)

A cockroach lays its eggs in dark places or corners e.g. cupboards.

Cockroaches feed on papers, clothes, left overs and dirty things in the toilet.

| - | Other insects which grow through three stages are grasshoppers, locusts. |
|---|--|
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
| _ |  |

- 1. How many stages of growth does a cockroach go through?
- 2. What do we call the second stage of a cockroach?
- 3. Where does a cockroach lay its eggs?
- 4. Give any two things cockroaches can spoil.

# 20. Protecting ourselves from harmful insects.

- We can avoid mosquitoes by;
- (a) Spraying
- (b) Cutting bushes around our homes.
- (c) Sleeping under mosquito nets.
- (d) Removing stagnant water around our homes.
- (e) Pouring oil on bleeding places around our homes.

# From houseflies

- We can avoid houseflies by;
- (a) Spraying
- (b) Covering the pit latrines.
- (c) Burning the rubbish
- (d) Practicing proper disposal of wastes.
- (e) Covering our food.

# **Activity:**

- 1. Write down any four ways of protecting harmful insects.
- 2. Give one way we can protect ourselves against houseflies.
- 3. Why do we cover food?

# 21. Common plants;

Plants are living things. Plants grow breathe, re-produce.

# **Examples of plants**;

| - | Maize plant  |
|---|--|
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   | For more lesson notes, please visit www.freshteacheruganda.com |

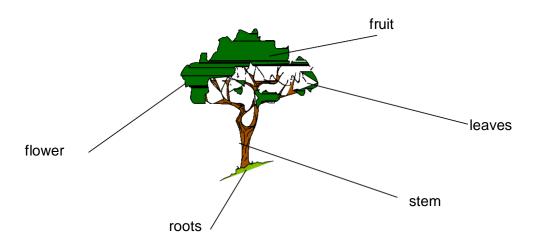

- Orange plant
- Paw paw plant
- Cabbage plant
- Cassava plant
- Sorghum plant
- Tobacco plant
- Yam plant
- Mango plant
- Coffee plant
- Millet plant
- Peas plant
- etc

1. Give four examples of common plants;

# 22. Parts of a plant

A plant has three main parts;

(i) roots (ii) stem (iii) leaves

# Activity;

- 1. Pupils will draw and name the parts of a plant.
- 2. Write the main parts of a plant.

# 24. Uses of plants

(a) Plants provide us with shade.

| b) | They act as wind breakers. (trees protect our homes from strong wind) |
|----|---|
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |
|    |   |

- (c) They give us flowers for decoration.
- (d) They provide us with medicine (Medicinal plants)
- (e) They provide us with timber.
- (f) They give us firewood.
- (g) They fence our school.
- (h) They provide us with charcoal.
- (i) Forests are homes of some wild animals plus bushes.
- (j) We get fruits from plants.
- (k) Plants provide us with food.

# Activity;

1. Write any five uses of plants.

# 25. Plants which give us food./Useful plants

Plants which give us food can be called food crops.

# **Examples**

Cassava plants, banana, irish potato, sweet potato, yam, rice, maize, millet, bean, pea, etc.

#### **Activity:**

- 1. Pupils move around and see plants which give us food.
- 2. Draw some examples of food crops.

# 26. Crops grown for sale.

Crops grown for sale are known as cash crops.

#### **Examples**

Coffee, sugarcane, tea, vanilla, sorghum, tobacco, vanilla, sisal, sunflower

# Their products.

Sugarcane - sugar

| fee | - | coffee powder, husks |  |
|-----|---|----------------------|--|
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |
|     |   |                      |  |

Cotton - clothes

Tobacco - cigarettes

Sisal - ropes, bags, baskets

Sunflower - cooking oil / animal feeds

Cotton seeds - cooking oil

Mutuba plant/ fichus plant – back cloth

What are cash crops?

# **Activity:**

1.

(e) (f)

| 2.  | Give any three | examples of cash crops.   |
|-----|----------------|---------------------------|
| 3.  | Write down the | products of these plants. |
| (a) | sugarcane      |                           |
| (b) | Tea            |                           |
| (c) | Tobacco        |                           |
| (d) | Cotton         |                           |

# 28. Dangers of plants

Sunflower

Cooking oil

- Some plants have thorns and they prick us.
- Some plants are poisonous.
- Some plants have bad smell.
- Some plants keep dangerous animals and insects like snakes, bees, wasps, rats
- Some plants have leaves which make the compound dirty.
- Some plants keep dangerous animals e.g. snakes.

# Activity:

1. Pupils will write down the dangers of plants.

# 29. Caring for plants

We care for plants by;

- Watering them-
- Weeding -
- Spraying
- Pruning
- mulching mulching is the covering of top soil with dry plant materials.
- Fencing
- Harvesting

# Plants need the following conditions to grow well;

- Sunlight
- (air) oxygen
- moisture (water)

# **Activity:**

- 1. Give any four ways how we can care for plants.
- 2. What is mulching?
- 3. Write down the three conditions necessary for plants to grow.

#### 30. SEEDS

What is a seed?

- A seed is a living part of a plant that grows into a new plant.
- Seeds are found in the fruit.
- The fruit protects the seeds.

Some of the seeds can not be eaten because they are poisonous, sour, hard.

# Activity:

- 1. What is a seed?
- 2. Name any four seeds that we eat.
- 3. What are edible seeds?
- 4. Why are some seeds non edible? Give any two reasons.

# 31. Germination of seeds.

- Germination is the growing of a seed into a new plant.
- Stages of plant growth:
  - 1. seed 2. Seedling 3. Plant
- A seedling is a young plant
- Seeds need the following to germinate;
- (i) Moisture (water)
- (ii) Oxygen / air

# 32. Stages of a plant

Seed seedling plant

# 33. Uses of seeds

# For planting

- For food
- For medicine
- For decoration etc.

е

# **Activity:**

1. A young plant is called a \_\_\_\_\_

2. Give the needs of a seed to germinate.

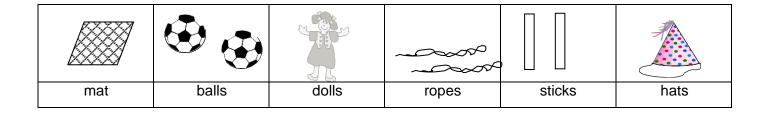

# THEME: 6 THINGS WE MAKE.

#### **SUB-THEME**

Things we make in the community.

Crafts: Are things made from local materials.

- (a) Play materials.
- Ropes
- Dolls
- Balls
- Sticks
- Strings
- Metre sticks
- Mats
- Baskets
- Hats

# 2. Things we use in the home.

Kitchen; stove, plate, mortar/pestle, basket,ladle, pot, spoon, mingling stick,

saucepan.

Bedroom: bed, bedsheets.

Sitting room: mat, cushion, chair, table

Wearing: ornaments, jewelry, footwear, clothes

#### 3. Materials used and their sources.

| Material      | Source             |
|---------------|--------------------|
| Banana fibres | Banana plants      |
| Sisal         | Sisal plants       |
| Clay soil     | swamps             |
| Palm leaves   | Swamps and valleys |
| straws        | factory            |
| sticks        | Bush/forest        |
| grass         | Bush               |
| raffia        | Swamps             |
| thread        | Factory            |
| needle        | Factory            |
| bricks        | Swamps/valleys     |
| mud           | Soil               |
| sand          | Lakeside           |
| Iron sheets   | Factory            |
| tiles         | factory            |
| Timber/poles  | forest             |

# 4. Importance of the things we make.

- 1. We use pots for keeping water.
- 2. We use balls, ropes, sticks, strings and dolls for playing.
- 3. We sit on mats in our homes.
- 4. We sell them and get money.
- 5. We use raffias for dancing.
- 6. Use threads and needles for sewing clothes.
- 7. We use bricks, blocks, tiles, grass, timber, poles for building.
- 8. We use sticks and straws for decoration.
- 9. They help us to know our culture.

1. Pupils will write the uses of the things we make.

| 5. | Learner's | activity |
|----|-----------|----------|
| ວ. | Learner 5 | activity |

Name the materials used to make these things.

# Sub theme: Means and uses of transport in our community. 1. What is transport? Transport is the movement of people and goods from one place to another.

TRANSPORT IN OUR COMMUNITY

Types of transport

- (a) road transport
- (b) air transport

Theme 7:

- (c) railway transport
- (d) water transport

| l             | •- | -:4  | _ |
|---------------|----|------|---|
| Learner's act | I١ | vitv | : |

- 1. \_\_\_\_\_is the movement of people and goods from one place to another.
- 2. Name four types of transport.
- 3. Road transport;

# Means of transport used on the road.

1. cars, buses, lorries, bicycles, animals e.g. horse, camel, donkey, motorcycles, pedestrians, taxis.

# Learner's activity:

Draw the following means of transport.

| A car | bus     | train |
|-------|---------|-------|
|       |         |       |
| lorry | bicycle | taxi  |

# 3. Water transport;

# Means of water transport.

- 1. Canoe
- 2. Boat
- 3. Ship
- 4. Ferry
- 5. Yatch

# Air transport

# Means of air transport;

- 1. Aeroplane
- 2. Helicopter
- 3. Paracute
- 4. Kite
- 5. Rocket
- 6. Tram

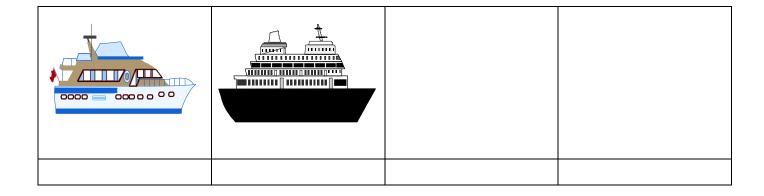

# **RAILWAY TRANSPORT (MEANS)**

Train

Tram

# Learners' activity.

Name these means of transport.

# 4. People who operate the means of transport.

| Means      | People       |
|------------|--------------|
| Aeroplane  | pilot        |
| Ship       | ship captain |
| Train      | captain      |
| Boat       | sailor       |

# **Activity**

Match

Train pilot
Boat cyclist
Aeroplane captain
Bicycle sailor

# 5. Uses of transport

- 1. We use transport for carrying people.
- 2. We use transport for carrying food.
- 3. We use transport for carrying water.
- 4. We use transport for carrying charcoal.
- 5. We use transport for carrying cement.
- 6. We use transport for carrying animals.

# Learner's activity;

- 1. Give four uses of transport to man.
- 6. Road Safety
- (a) Safe ways of using the road.
- 1. Do not play on the road.
- 2. Following traffic signs.
- 3. Walking in single line.
- 4. Stop, look right, left and right again and cross.
- 5. Cross the road from the zebra crossing.

| l | Use footpath. |
|---|---------------|

|   |               |
|   |               |
|   |               |
|   |               |
|   |               |
|   |               |
|   |               |
|   |               |
|   |               |

# Un-safe ways of using the road.

- 1. Playing on the road.
- 2. Not crossing from zebra crossing.
- 3. Crossing where roads meet/near a bend.
- 4. Crossing at junctions/near the top of a hill/between parked cars.
- 5. Throwing objects at moving vehicles.

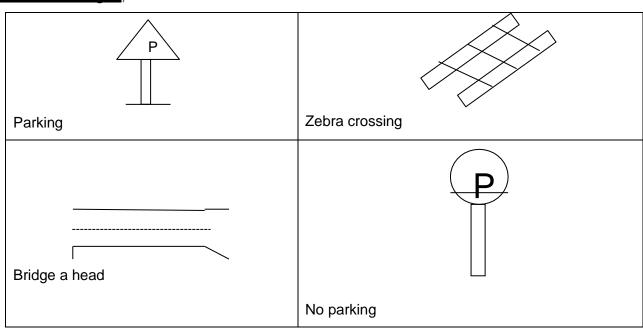

# Learner's activities

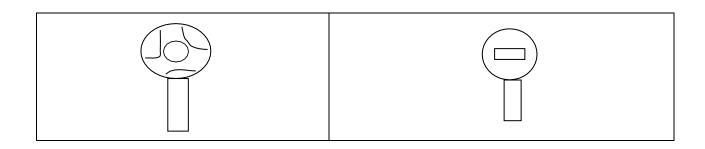

| Give any two ways of using the road safely;  |  |  |  |  |  |
|--|--|--|--|--|--|
| Give any two un safe ways of using the road. |  |  |  |  |  |
|  |  |  |  |  |  |

# 7. Road signs.

- 1. Road safety signs are signs used on the road.
- 2. Road safety signs help us to use the road well.

# **Examples of road signs**;

| Round about      | No way through   |
|------------------|------------------|
| School ahead     | Humps a hoad     |
| School ariead    | Humps a head     |
| Accident ahead   | Railway crossing |
| Animals crossing | Church a head    |
|                  |                  |
|                  |                  |
| Men at work      |                  |

# 8. Dangerous things found on the road.

- 1. Land slides/falling rocks.
- 2. Pot holes
- 3. Water passengers
- 4. Broken bottles
- 5. Broken electric wires and poles
- 6. Land mines
- 7. Waste disposals.
- 8. Nails
- 9. Water

# **Causes of road accidents**

- Over speeding
- Over loading
- Drunkardness
- Pot holes
- Bad roads

| - | Bad vehicles   |

- Not following the road signs
- Over taking

# People who help in traffic

- 1. Policeman/police woman.
- 2. Parents
- 3. Teachers
- 4. Older children
- 5. Wardens
- 6. Lollipop men/women

# **Activity**

1. Name these dangerous things on the road.

# 9. Learners' activity

Draw these people who help us to cross the road.

- Traffic police
- Teachers
- Older children
- Wardens
- Parents

#### THEME 8: ACCIDENTS AND SAFETY

# 1. CAUSES OF COMMON ACCIDENTS IN OUR COMMUNITY

What is an accident?

An accident is an unexpected injury on the body.

Or

An accident is sudden danger that hurts or injures a person's body.

# 2. Common causes of accidents.

- Poor housing
- Fire
- Animals
- Sharp objects
- Vehicles
- Electricity

| - | Irresponsible behavior  |

- Violence
- Poison
- Medicine etc

- What is an unexpected injury on the body called? \_\_\_\_\_\_
- 2. List down any four causes of accidents

# 2. Types of accidents

burns, nose bleeding, cuts, breaking bones, falls, electric shock,
 drowning, choking, poisoning, bites, stings

#### **Burns**

Burns are caused by;

- Playing with fire
- Careless house keepers
- Careless handling of hot objects/things
- Limited space in the home/work place
- Keeping dangerous fuels in the house

#### **Falls**

Falls are caused by:

- Running carelessly
- Rushing with no reason
- Rudeness
- Playing rough games
- Climbing

# **Activity**

- 1. Mention any five types of accidents
- 2. List down two causes of falls
- 3. Name two causes of burns

#### Cuts

#### Cuts are commonly caused by;

- Playing with sharp objects e.g. nails, razorblades, pins, knives etc.
- Playing in unsecure places
- Playing/walking on rough places

# **Poisoning**

# Poisoning is commonly caused by;

- Greediness
- Keeping poison near open places
- Carelessness
- Neglect over some substances

#### **Bites**

# Bites are caused by;

- Carelessness
- Children trying to discover more
- Rough playing
- Stray animals
- Playing in bush/long grass
- Bad handling of animals

# Activity;

- 1. Name any two causes of poisoning
- 2. List down any three sharp objects
- 3. Give any three animals that cause bites

# **Drowning**

Drowning can be caused by;

- Floods
- Bad swimming pools
- Untrained swimmers
- Negligence of concerned people
- Irresponsible behavior
- Playing near/on water bodies

# **Road accidents**

Road accidents are commonly causes by;

- playing on the road.
- Careless drivers
- Bad roads
- Bad vehicles

Following road signs. Not playing on the road Following traffic lights **Activity** Pupils discuss the ways of preventing accidents with the help of the teacher. Activity; With the help of the teacher, pupils will discuss the ways of managing accidents. **Electric shock** Causes of electric shock can be; Poor wiring Bad hearted people Children trying to discover Carelessness Broken wires Playing with electric gargets <u>Activity</u> 1. Name any two causes of drowning (a) \_\_\_\_\_ (b) \_\_\_\_ 2. Why is it bad to play on the road? 3. List down 3 causes of electrical shock. Preventing accidents in our homes/school; Stop running unnecessarily Handle sharp objects carefully Keep away poison/medicine For more lesson notes, please visit www.freshteacheruganda.com

speaking on phone while driving

Prevention of road accidents;

Driving while drunk

Avoid over speeding.

Avoid overloading

5.

|   | , F   |

- Not playing rough games
- Not playing near/on water bodies
- Not playing with unfamiliar animals
- Use medicines as instructed by health worker
- Avoid climbing
- Follow traffic rules when using roads
- Avoid playing in bushes
- Not playing with electric wires
- Not playing with electric wires
- Not speaking on phones while driving
- Not to drive when drunk

Pupils discuss the ways of preventing accidents with the help of the teacher.

# **Managing accidents**

We can manage accidents by;

- Giving first aid
- Reporting
- Disconnect electric circuit
- Making an alarm
- Good feeding
- Daily cleaning
- Using bandage
- Rushing to hospital
- Put cold water on forehead incase of nose bleeding

#### **Activity**

With the help of the teacher, pupils will discuss the ways of managing accidents.

#### First Aid

(a) First Aid concept

What is first Aid?

- First Aid is first help given to an injured person before taken to hospital.
- A person who gets hurt in an accident is called causality.
- A person who gives first aid is a first aider.

# Why do we give first aid?

- to save life
- to reduce pain
- to promote recovery
- to prevent further injury
- to stop bleeding

#### **Examples of first aid**

- Cooling burns with cold water
- Washing cuts with clean water
- Covering the cut with the bandage
- Pinching nose incase of the nose bleeding
- tying the cuts to stop bleeding
- disconnecting the circuit.

#### **Activity**

- 1. Who is a first aider?
- 2. Give any three reasons why we give first aid.
- 3. What first aid can you give to a person who is bleeding through the nose?

#### First aid box (kit)

What is a first aid kit?

First aid kit is a kit /box where things used to give first aid are kept.

#### Examples of first aid materials (things)

(i) Soap - Washing hands/around cuts

(ii) cotton wool - for cleaning the cuts.

(iii) bandage - tying wounds/broken limbs

(iv) razorblade - cutting plaster, strings etc

(v) Safety pins - removing objects from the body

(vi) Iodine/spirit - Cleaning cuts to kill germs

(vii) Medicine/Aspirin/panadol - pain killers

(viii) gloves

(ix) a pair of scissors – for cutting plaster / bandage

#### Where to find first aid kits

- Hospitals - Schools

- Hotels - Vehicles

- Homes

Aircrafts etc

- 1. What is a first aid kit?
- 2. Write down any three places where first aid kits are found.
- 3. Why does a first aider carry cotton wool in the first aid kit?
- 4. \_\_\_\_\_if for removing objects from the body.

# LESSON NOTES TERM III - PRIMARY TWO - LIT II

THEME: Peace and Security

SUB-THEME: Roles of people who keep peace and security

**Definition:** 

Peace: Means living in harmony without fighting and quarreling with one another.

**Security:** Means living with protection and freedom. People who promote peace and security at home.

- Parents
- Guards
- Old children
- Elders
- Relatives
- Watch man

# Factors that promote peace and security at home

- Love
- Obedience
- Caring/helping
- Good health
- Good relationship
- Respect
- Good feeding
- Protection

#### Activity:

1. What is living with protection and freedom mean? (peace, security)

# People who promote peace and security at school.

- Teachers
- Guards
- Cooks
- Cleaners
- Nurse
- Secretaries
- Watch man
- librarian
- Matrons
- Bursar
- Children

# Factors that promote peace and security at school.

- School rules
- Loving one another
- Caring for one another
- Observing children's rights and responsibilities
- Sharing with one another
- Listening to teachers, friends, prefects
- Obedience
- Protection
- Helping others

# **Activity:**

1. List down any four people who promote peace and security at school.

# People who promote peace and security in our community.

- Elders (men and women)
- Local council members
- Local defense unit (LDU)
- Army
- Police
- Parents
- Teachers
- Youth
- Religious leaders e.g. Sheikhs etc

# How different people promote peace and security in our community.

(a) Parents

- (ii) Teaching discipline
- (iii) Providing basic needs
- (b) Teachers:
  - (i) Providing and reinforcing rules and regulations
  - (ii) Making sure that children have discipline
  - (iii) Providing guiding and guidance
  - (iv) Teaching discipline and respect for one another

1. Underline people who keep peace and security in our community.

(police blind people youth babies parents)

- 2. Give one way how parents promote peace and security in our community.
- 3. What is community?
- 4. Where do teachers keep peace and security?

#### Children:

- Obey rules and regulations
- Peer guidance and protection
- Listen and respond to issues and report to the most relevant helper.

#### Police:

- Keep law and order
- Guidance and counseling
- Enforce discipline
- Protect people and their property
- Arresting wrong doers

## **Religious Leaders:**

- Guidance and counseling
- Teach societal norms and values
- Preach to people the word of God/Allah.

#### **Activity:**

- 1. Mention ways how the following people promote peace and security.
- a) children
- b) police
- c) Religious leaders

2. Draw a policeman

#### General ways of promoting peace and security in our community.

- Respecting one another
- Loving one another
- Providing security

- Solving problems or conflicts
- Obeying rules
- Listening to elder's advise
- Guidance and counseling
- Not stealing

## Importance of peace and security

- Promotes love
- Promotes harmony
- Promotes safety
- Promotes care for others
- Promotes happiness in the community

## **Activity:**

- 1. Write down any three general ways of promoting peace and security in our community
- 2. Whom should we report the wrong doers to?
- 3. Give any two people who should provide peace and security to children.

#### Causes of insecurity:

#### At home:

- Poverty
- Stealing
- Violence
- Defilement
- Poor relationship
- Fighting
- Diseases
- Lack of basic needs
- Child neglect
- Isolation
- Not respecting others

## At school;

- Teasing
- Fighting or quarrels
- Stealing
- Beating and fighting others
- Not respecting others
- Defilement

1. Identify any three causes of insecurity at home.

## Effects / results of insecurity

Effects are outcomes of insecurity e.g.

- Death
- Fear
- Famine
- Displacement
- Child abuse
- Poverty
- Disability
- Violence
- Loss of jobs
- Dropping out of school
- Loss of property
- Fights
- Homeless

#### **Activity:**

- 1. What is insecurity?
- 2. Write down any three effects of insecurity to people
- 3. Give two reasons why it is good to keep peace and security in the neighbourhood.

THEME: Child protection

SUB-THEME: Child work and child abuse

**Definition**: A child is a person below eighteen years of age.

Child work

These are activities done by children

## Examples of child work

- Sweeping
- Mopping
- Arranging a house
- Washing clothes and utensils
- Caring for the young ones
- Fetching water
- Cooking
- Digging in the garden

## Child abuse:

Is when a child is denied his or her rights

#### Ways / forms of child abuse.

A child who undergoes the following experiences is abused:

- Denying a child education
- Defiling a child
- Kidnapping a child
- Teasing a child
- Burning a child
- Threatening a child
- Harassing a child
- Labouring a child e.g. carrying heavy things, breaking stones etc.
- Not showing a child love
- Beating badly a child
- Denying a child basic needs
- Denying a child medical care
- Child sacrifice
- Child battering

## **Activity:**

- 1. What name is given to a person who is below eighteen years of age?
- 2. What are basic needs?
- 3. Write down any four basic needs of people.
- 4. What is child abuse?
- 5. Write down any three forms of child abuse.
- 6. Give two examples of child abuse.

#### Causes of child abuse:

- Poverty
- Alcoholism
- Death of parents
- Indiscipline
- Violence
- Insecurity
- Early marriages
- Disobedience
- Lack of respect
- Wars

- N.B: Children should be protected in the following ways:
  - 1. Child to child monitoring
  - 2. Reporting incidents
  - 3. Parental guidance
  - 4. Using educational messages e.g. both young and teacher talk

1. Give any three ways of avoiding child abuse.

## Activities done by children at school.

- Mopping the class
- Sweeping the compound and classrooms
- Arranging books
- Dusting tables and chairs
- Collecting and giving out books
- Keeping order in class
- Watering the plants
- Burning the rubbish
- Rubbing the black/chalkboard
- Cleaning the toilets/pit latrines

#### Activities done in the community.

- Making furniture (things out of wood)
- Teaching
- Treating the sick
- Farming
- Fishing
- Cattle keeping
- Hunting
- Charcoal burning
- Brick making
- Mining
- Typing
- Keeping law and order
- Transportation
- Building

- 1. Name any three activities children do at school
- 2. Draw yourself watering plants.
- 3. Match people with their activities done in the community.

Hunter keeps law and order

Secretary teaches people
Teacher hunts animals
Policeman types work

<u>Children's rights</u> <u>Chris's basic needs</u>

a) Education food, water, clothes, shelter, love, medical care

- b) Good feeding
- c) Medical care
- d) Play
- e) Freedom of speech
- f) Pray

**Theme: Measurements** 

Seasons:

Definition:

These are periods in a particular year. There are two periods/seasons in a year in our country. These are:

- 1. Wet season
- 2. Dry season

#### Wet season

A wet season is a period when we receive a lot of rainfall.

Activities done in a wet season:

- Planting
- Weeding
- Pruning
- Harvesting water\_

#### Dangers of too much rainfall.

- Too much rainfall can destroy our plants, houses, and roads.
- Too much rainfall causes floods

| - | It also causes hunger   |

- It brings diseases
- It can lead to displacement of people.
- Kills people / animals

- 1. What are seasons?
- 2. Mention the two periods (seasons) in a year.

## Dry season

It is a season/period when we receive much sunshine compared to rainfall.

N.B: A long sunshine period is called a drought.

## Activities done during a dry season are:

- Harvesting crops
- Repairing the tools
- Drying the seeds
- Winnowing the seeds
- Sorting seeds for planting
- Preparing the land
- Watering plants

#### Dangers of too much sunshine:

- Crops dry up
- Water bodies dry up
- People get famine
- Too much sunshine causes diseases like headache.
- There is always too much dust.

#### **Activity:**

- 1. What do we call a long period of too much sunshine? (drying, drought)
- 2. Mention any two activities done in dry season.
- 3. Give any two dangers of too much sunshine.
- 4. Write down the cause of drought
- 5. Draw and name one activity you can do during dry season.
- 6. Match correctly.

Harvesting crops wet season
Weeding dry season

## THEME 11: RECREATION, FESTIVALS AND HOLIDAYS

Recreation activities at home and schools

What is recreation?

Recreation is the way of refreshing one's mind.

#### Activities done for recreation

- Picnics
- Resting
- Listening to music
- Telling and listening to stories
- Visiting friends
- Reading for pleasure
- Swimming
- Playing
- Watching games / movies / plays
- Praying
- dancing

## Examples of recreation centres:

The following are the examples of recreation centres:

- Hotels
- Beaches
- Theatres
- Restaurants
- Bars
- Studio
- Zoos
- stadium

#### **Activity:**

- 1. Write down any four recreational activities
- 2. Mention any two recreation centres /places
- 3. Draw these recreational activities
  - a) A person swimming
- (b) Children playing football

#### Importance of recreation

- For enjoyment
- For fun

- For entertainment
- For exercising the body
- For resting
- For learning
- To earn living (to get jobs)
- For friendship formation
- For good decision making
- For pleasure

- 1. Draw a line on the importance of recreation only.
- a) for fighting
- b) for enjoyment
- c) for eating
- d) for fun
- e) for stealing
- 2. Why do some people go for recreation? Give three reasons
- 3. Name one recreational centre found at the lake side.

#### **Cultural festivals:**

Culture is a way of living.

#### Examples of cultural festivals:

- 1. Naming
- a) Twins

Twins are two children born on the same day by the same mother.

Names of twins in Buganda:

|             | Girls   | Boys   |
|-------------|---------|--------|
| First born  | Babirye | Wasswa |
| Second born | Nakato  | Kato   |

#### Parents of twins:

Father: Ssalongo Mother: Nalongo

- b) Other names are given according to tribes and culture of a person
- 2. <u>Initiation:</u> This is the way of introducing a child or person into the family.

Examples of initiation ceremonies include;

- Circumcision e.g. Bagisu & Sebei
- Detoothing

| - | Tattooing |                            |                            |                 |  |
|---|-----------|----------------------------|----------------------------|-----------------|--|
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
|   |           |                            |                            |                 |  |
